REQUEST FOR PERMANENT GEODUCK QUOTA REALLOCATION

This form must be completed if you wish to permanently reallocate all or a portion of your quota holdings.

When completed submit form to DFO using the National On-Line Licensing System (NOLS)

***Refer to DFO ‘How to request Temporary or Permanent Reallocation of Geoduck quota blocks using the National On-Line Licensing System (NOLS) Information attached**

Please allow 10 working days for processing of completed application.

Permanent Geoduck Quota Reallocation Guidelines:

1. BOTH vessels must have a valid current year G or FG licence issued to the vessel prior to reallocation of any Geoduck holdings.
2. For category G licence eligibilities **all** vessel owner(s) of record must sign this permanent reallocation request.
3. Category FG licence eligibilities are **NOT** eligible to reallocate quota permanently.
4. If the vessel owner is a company a current (within one year) B.C. Company Summary must be included with the completed form. Definition of current is within the last 30 days.
5. A valid licence amendment must be on record with the Department while the vessel is engaged in fishing. Amendments issued in respect of a Geoduck licence eligibility must be attached to, and therefore forms a part of, the conditions of licence.
6. **Applications for permanent reallocation will only be accepted from the date of licence issuance through October 24th inclusive.**
7. In order to permanently reallocate quota the vessel providing the quota must:
 - a. not be actively fishing the licence eligibility holding the quota (that will be reallocated)
 - b. and only uncaught Geoduck ITQ may be reallocated.
8. The Service Provider will be recording catch against quota blocks in ascending order from the lowest numbered quota block to the highest. Be aware of which quota blocks are available for reallocation (see 8 above).
9. Licence eligibility holders are reminded that quota holdings must be transferred in full blocks. A quota block is 1/550 (0.182% approximately) of the commercial T.A.C. Example: Where the T.A.C. is = 3,080,000 lbs then One Quota Block = 5,600 lbs
10. Each vessel may only fish a maximum of 50 blocks in one licence year.
11. An example of how to complete Part B is as follows:

Area	<i>List Quota Blocks by Block Number to be Reallocated</i>				
North Coast	10 N 1	10 N 2	10 N 10		
West Coast	35 W 3	35 W 4	35 W 5		
Gulf	17 G 1	17 G 2	17 G 5		

Please refer to your Licence Status Report (LSR) for a listing of the quota blocks and the primary quota block number, quota block area and quota block number.

Quota block number 10 N 1 may be read as Original Tab number 10 in area N and quota block 1.

REQUEST FOR TEMPORARY REALLOCATION OF GEODUCK QUOTA BLOCKS FOR LICENSED VESSELS

This form must be completed if you wish to reallocate all or a portion of your quota holdings. When completed submit form to DFO using the National On-Line Licensing System (NOLS)

***Refer to DFO ‘How to request Temporary or Permanent Reallocation of Geoduck quota blocks using the National On-Line Licensing System (NOLS)’ Information Sheet (attached)**

Reallocation Guidelines

- 1) BOTH vessels must have a valid current year G or FG licence issued to the vessel prior to reallocation of any Geoduck holdings.
- 2) For category G licence eligibilities a vessel owner of record, or an authorized signatory, must sign this request.
- 3) For category FG licence eligibilities an authorized signatory of the Communal Commercial licence eligibility holder must sign this request. Vessel Owners, of vessels that have been designated to hold a category FG licence eligibility, do not have the authority to authorize temporary quota reallocations to or from the category FG licence eligibility. A valid licence amendment must be on record with the Department while the vessel is engaged in fishing. Amendments issued in respect of a Geoduck licence eligibility must be attached to, and therefore forms a part of, the conditions of licence.
- 4) **DO NOT USE THIS FORM FOR PERMANENT QUOTA REALLOCATIONS.**
- 5) Temporary uncaught quota reallocations can be made at anytime.
- 6) In order to temporarily reallocate quota the vessel providing the quota must:
 - a. be not actively fishing or;
 - b. have a minimum remaining quota equal to at least one quota block in addition to the quota block(s) being transferred;
 - c. only uncaught Geoduck ITQ may be reallocated.
- 7) Quota Holdings must be transferred in full blocks. A quota block is 1/550 (0.182% approximately) of the commercial T.A.C. Example: Where the T.A.C. is = 3,080,000 lbs then One Quota Block = 5,600 lbs
- 8) The Service Provider will be recording catch against quota blocks in ascending order from the lowest numbered quota block to the highest. Be aware of which quota blocks are available for reallocation (see 8 above).
- 9) Each vessel may only fish a maximum of 50 blocks in one licence year..
